

How to use Google Images

You can use Google Images, but you need to give credit to the author.

How to use Google Images:

1. Search for the Image
2. Click on the “tools” setting
3. Click on “usage rights”. A drop down menu should appear

4. Click on the “Labeled for noncommercial reuse” setting

5. Make sure you give credit to the author! (ex. “Photo from wikimedia.com” or “Photo from: Flickruser Buster Bronco”)
